macmillan dictionary 7500 words pdf
A novella is a text of written, fictional, narrative prose normally longer than a short story but shorter than a novel, somewhere between 17,500 and 40,000 words.. The English word "novella " derives from the Italian novella, feminine of novello, which means "new".The novella is a common literary genre in several European languages.

Novella - Wikipedia
The history of writing traces the development of expressing language by letters or other marks and also the studies and descriptions of these developments.. In the history of how writing systems have evolved over in different human civilizations, more complete writing systems were preceded by proto-writing, systems of ideographic or early mnemonic symbols.
