Google Sites

But despite all of this, making music is still hard. Why? Making Music was written both to answer this question and to offer ways to make it easier. It presents a systematic, concrete set of patterns that you can use when making music in order to move forward. Each pattern is presented in the following way: A problem is stated. A problem is a roadblock that stops you from making progress with a particular piece of music.

What is this book? | Making Music book by Ableton

Making Music is not a tutorial on DAW production techniques. You won't find one word of advice on recommended compressor settings, EQ strategies or the like. Instead it tries to help the reader get on with the imposing task of creating music – not recording it, not mixing it, but rather facing the challenge of starting with an empty DAW ...
