This is a list of grading systems used by countries of the world, first organized by continent, with links to specifics in many entries.

Grading systems by country - Wikipedia

The racial achievement gap in the United States refers to the educational disparities between various ethnic groups. It manifests itself in a variety of ways: among students, blacks and Hispanics are more likely to receive lower grades, score lower on standardized tests, drop out of high school, and they are less likely to enter and complete college than whites, who similarly score lower than ...
