

modern advanced accounting chapter pdf

This introductory chapter explains how and why journal articles are generally accorded greater prestige and merit within the scientific community, relative to other forms of disseminating research findings through venues such as books, book chapters, weblogs, and presenting papers at professional conferences.

Importance of Journal Articles - Oxford Scholarship

Adam Smith's masterpiece, first published in 1776, is the foundation of modern economic thought and remains the single most important account of the rise of, and the principles behind, modern capitalism.
