

modern mind an intellectual pdf

Early Modern Texts. On this site you will find versions of some classics of early modern philosophy, and a few from the 19th century, prepared with a view to making them easier to read while leaving intact the main arguments, doctrines, and lines of thought.

Early Modern Texts

An intellectual is a person who engages in critical thinking, research, and reflection about society and proposes solutions for its normative problems. Some gain authority as public intellectuals. Coming from the world of culture, either as a creator or as a mediator, the intellectual participates in politics either to defend a concrete proposition or to denounce an injustice, usually by ...

Immanuel Kant (1724–1804) is the central figure in modern philosophy. He synthesized early modern rationalism and empiricism, set the terms for much of nineteenth and twentieth century philosophy, and continues to exercise a significant influence today in metaphysics, epistemology, ethics, political philosophy, aesthetics, and other fields.
