Artificial Intelligence: A Modern Approach

Postmodernism is a broad movement that developed in the mid- to late-20th century across philosophy, the arts, architecture, and criticism and that marked a departure from modernism. The term has also more generally been applied to the historical era following modernity and the tendencies of this era. (In this context, "modern" is not used in the sense of "contemporary", but merely as a name ...

Pimp is a memoir by Iceberg Slim, a black man who became a pimp in the United States during the 1930s. He shares his background of what led up to his pimp life along with stories that took place during his career. While the book contains many useful tips on how to handle women, I wouldn't call it a pimp manual.
