What about a thread where we share our favourite femiinzation stories!? I personally prefer a rather realistic than over the top setting with not too much detail about a dressing up, master/slave, sissy high heels and stuff since this doesn't do anything for the actual feminization process and is rather unrealistic.

Awesome story, I love you man/woman, one week of my life gone just like that and I donâ€™t fucking regret. Keep it up and stay healthy(I know its selfish) and know that when you do publish you already have a customer in me.
