A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely (for more detail see legal definition). Such a person may be called an asylum seeker until granted refugee status by the contracting state or the UNHCR if they formally make a claim for asylum. The lead international agency coordinating refugee protection is ...

Information about the history of the Basel Committee. At a glance. The Basel Committee - initially named the Committee on Banking Regulations and Supervisory Practices - was established by the central bank Governors of the Group of Ten countries at the end of 1974 in the aftermath of serious disturbances in international currency and banking markets (notably the failure of Bankhaus Herstatt in ...

History of the Basel Committee

During each stage, the person experiences a psychosocial crisis which could have a positive or negative outcome for personality development. For Erikson (1963), these crises are of a psychosocial nature because they involve psychological needs of the individual (i.e. psycho) conflicting with the needs of society (i.e. social).
