The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as far back as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.

This chapter examines the role of China in the Cold War. It describes the origins of Cold War in China and the participation of nationalist China in World War 2 and the Cold War, and suggests that China played a pivotal role as the third (albeit shorter) leg of a cold war tripod. The chapter contends that the Cold War era in China is inseparable from the political supremacy Mao Zedong, and ...
