An Executive Summary of the effective executive

The concepts of management by objectives was developed by Peter Drucker during 1950s and it has been written on extensively thereafter. The definition of management by objectives is given by Drucker as the process of developing aims in a company to provide a sense of direction to the workforce.

Management By Objectives by Peter Drucker, a strategic

A classic since its publication in 1954, The Practice of Management was the first book to look at management as a whole and being a manager as a separate responsibility. The Practice of Management created the discipline of modern management practices. Readable, fundamental, and basic, it remains an essential book for students, aspiring managers, and seasoned professionals.

The Practice of Management - Peter F. Drucker - E-book

MANAGEMENT BY OBJECTIVES Thomas M. Thomson Managers always have been challenged to produce results, but the modern manager must produce them in a time of rapid technological and social change. Managers must be able to use this rapid change to produce their results; they must use the change and not be used or swallowed up by it.
