Psychology By Peter O. Gray (5th, Fifth Edition) PDF ebook

Peter Gray's Psychology has become a favorite of instructors with its exploration of psychology's major theories, and the evidence that supports and refutes these theories. Each edition incorporates an exceptional amount of contemporary research, encouraging students to probe for the purposes and biological origins of behavior--the "whys" and "hows" of human psychology.

Psychology, Author: Peter O. Gray - StudyBlue

Core elements: The general format for in-text references in APA is author's last name and year of publication. Special Note: In APA, you don't typically include specific page numbers in your parenthetical references. If you are referencing a specific quote, graph, or page in the text, however, include the page number after the author and date.
