Ultimate series of recorders which sold extremely well because they were very good. Also, because Technics advertised about them at length. And also because they do look as good as they do sound;-) Most common is the RS-1500U original version which was named, or nicknamed, U38 in Japan, the U being the shape the tape takes when wrapped around the head-block and capstan, but Technics made quite ...

Fusion power is a form of power generation in which energy is generated by using nuclear fusion reactions to produce heat for electricity generation. In a fusion process, two lighter atomic nuclei combine to form a heavier nucleus, and at the same time, they release energy. This is the same process that powers stars like our Sun.Devices designed to harness this energy are known as fusion reactors.
