

resurrecting home a novel pdf

A dying-and-rising, death-rebirth, or resurrection deity is a religious motif in which a god or goddess dies and is resurrected. "Death or departure of the gods" is motif A192 in Stith Thompson's Motif-Index of Folk-Literature, while "resurrection of gods" is motif A193. Examples of gods who die and later return to life are most often cited from the religions of the Ancient Near East, and ...

Assessing the genetic contribution of Neanderthals to non-disease phenotypes in modern humans has been difficult because of the absence of large cohorts for which common phenotype information is available. Using baseline phenotypes collected for 112,000 individuals by the UK Biobank, we can now elaborate on previous findings that identified associations between signatures of positive selection ...
