Creating a PDF of the Internetworking Technology Handbook. Create a PDF of the Internetworking Technology Handbook that you can save on your computer and print.. Internetworking Basics. An internetwork is a collection of individual networks, connected by intermediate networking devices, that functions as a single large network.

Internetworking Technology Handbook - DocWiki - Cisco

In voice telecommunications, least-cost routing (LCR) is the process of selecting the path of outbound communications traffic based on cost. Within a telecoms carrier, an LCR team might periodically (monthly, weekly or even daily) choose between routes from several or even hundreds of carriers for destinations across the world.
