Editor's note: This report was commissioned for the White House Conference on Bullying Prevention, which met on March 10, 2011. The conference brought together President Barack Obama and members of his cabinet, First Lady Michelle Obama, youth, parents, researchers, school officials, and other groups to craft a national strategy for reducing and ending bullying in schools.

This study was motivated by the premise that no nation grows further than the quality of its educational leaders. The purpose of this theoretical debate is to examine the wider context of leadership and its effectiveness towards improving school management. This academic evaluation examines recent theoretical developments in the study of educational leadership in school management.
