Parentally Placed Private School Students with

the quality and perhaps the efficiency of special education programs as schools compete for special needs students. If instead they are underpriced, fewer schools may open or participate in any choice program, and schools that do participate may attempt to discourage matriculation of high-cost students, perhaps by providing low-quality programs.

The Role of Special Education in School Choice

SUBJECT: Education Responsibilities for School-Age Children in Residential Care Over the past several years, new education laws, regulations and policies have been enacted in response to increasing numbers and types of children's residential programs licensed and/or operated by other State agencies. As school districts and agencies better
