The tiny-house movement (also known as the "small-house movement") is an architectural and social movement that advocates living simply in small homes. As of 2018 there is no set definition as to what constitutes a tiny house. However, a residential structure under 500 square feet (46 m²) is generally considered [by whom?] a tiny home. The tiny-house movement promotes financial prudence ...

Going Green: Sustainable Living and Development Guide

I made tiny gingerbread houses that are meant to be perched on the edge of a mug of hot chocolate. I had been thinking about those sugar cubes that hook on the rim of a teacup earlier this month, and I was also thinking about 3-D cookies and how they fit together and figured it would be pretty neat to make cookies that hang on the edge of a mug. I thought I was being so brilliant but it only ...
