Advertised Sea Container Dimensions (Also called intermodal Containers) Note that most shipping lines advise that any particular container may have interior dimensions that vary slightly from the published ones and you should contact them if the container dimensions are critical. The similarity of the dimensions suggests that they are all built to ISO container dimensions standards.

A billiard table or billiards table is a bounded table on which cue sports are played. In the modern era, all billiards tables (whether for carom billiards, pocket billiards, pyramid or snooker) provide a flat surface usually made of quarried slate, that is covered with cloth (usually of a tightly-woven worsted wool called baize), and surrounded by vulcanized rubber cushions, with the whole ...

Inclusive Furniture. Not along ago we noticed that in our local park there was adequate seating for the non-disabled but none for the wheelchair-user, the more we looked the more we saw a complete lack of effort in complying with regulations and laws specifically brought in to counter this ignorance and discrimination.

Lumber (American English; used only in North America) or timber (used in the rest of the English-speaking world) is a type of wood that has been processed into beams and planks, a stage in the process of wood production. Lumber is mainly used for structural purposes but has many other uses as well. There are two main types of lumber. It may be supplied either rough-sawn, or surfaced on one or ...
