The pilot is one of the most important episodes of a series. Perhaps the most important. Not only does it have to establish the characters, the world, and the tone, but it also has to convince viewers to come back for the next installment (or, in case of online streaming, not exiting out of the browser window).

Stranger Things: 5 Differences Between the Pilot Script and the First Episode. November 14, 2016 . Stranger Things became a Netflix hit this summer by offering viewers a sci-fi-horror tale that felt fresh and original, even as it covered familiar narrative territory. Much has been said about its pitch-perfect 1980s feel, but its nostalgic elements wouldnâ€™t have worked had they not been ...

Pilot Scripts Writing a pilot is one of the toughest things a TV scribe can do. It's your first episode, so you have to introduce your central character and core cast, build enough of your show's world without overwhelming the audience with backstory, create an episode "template," and communicate the show's tone.
