A Principles-Based Approach for English Language Teaching

The "Seven Principles for Good Practice in Undergraduate Education," originally published in the AAHE Bulletin (Chickering & Gamson, 1987), are a popular framework for evaluating teaching in traditional, face-to-face courses. The principles are based on 50 years of higher education research (Chickering & Reisser, 1993).

History. The principles of Catholic social teaching, though rooted in the Old Testament custom of the Jubilee, first began to be combined together into a system in the late nineteenth century. Since then, successive popes have added to and developed the church's body of social teaching, principally through the medium of encyclical letters.. Rerum novarum ...

Guidelines for Designing Effective English Language

Communicative language teaching (CLT), or the communicative approach, is an approach to language teaching that emphasizes interaction as both the means and the ultimate goal of study.. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts" (those written in ...
