

teaching languages to young pdf

Languages are a fundamental aspect of people's lives and the democratic functioning of society. In response to the needs identified in or by its member states, the Council of Europe has been working over the past few decades to compile a set of resources made available to education authorities and professionals and benefiting all Europe's citizens (see milestones).

Resources to help struggling readers build phonemic awareness, phonics, fluency, vocabulary, and comprehension skills. Online course on teaching reading, classroom strategies, in-classroom video, parent reading tips, interviews with children's book authors, recommended children's books, and more.

Reading Rockets | Launching Young Readers

Language pedagogy [definition needed] may take place as a general school subject, in a specialized language school, or out of school with a rich selection of proprietary methods online and in books, CDs and DVDs. There are many methods of teaching languages. Some have fallen into relative obscurity and others are widely used; still others have a small following, but offer useful insights.
