Ancient Semitic religion encompasses the polytheistic religions of the Semitic peoples from the ancient Near East and Northeast Africa. Since the term Semitic itself represents a rough category when referring to cultures, as opposed to languages, the definitive bounds of the term "ancient Semitic religion" are only approximate.. Semitic traditions and their pantheons fall into regional ...

Bellona was an ancient Roman goddess of war. Her main attribute is the military helmet worn on her head; she often holds a sword, spear, or shield, and brandishes a torch or whip as she rides into battle in a four-horse chariot. Her iconography was extended further by painters and sculptors following the Renaissance
