Economics and marketing. The consumer is the one who pays something to consume goods and services produced. As such, consumers play a vital role in the economic system of a nation. Without consumer demand, producers would lack one of the key motivations to produce: to sell to consumers. The consumer also forms part of the chain of distribution.. Recently in marketing instead of marketers ...

Consumer - Wikipedia

A consumer complaint or customer complaint is "an expression of dissatisfaction on a consumer's behalf to a responsible party" (Landon, 1980). It can also be described in a positive sense as a report from a consumer providing documentation about a problem with a product or service. In fact, some modern business consultants urge businesses to view customer complaints as a gift.
