William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater "on any topic" that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.

Debate is a process that involves formal discussion on a particular topic. In a debate, opposing arguments are put forward to argue for opposing viewpoints. Debate occurs in public meetings, academic institutions, and legislative assemblies. It is a formal type of discussion, often with a moderator and an audience, in addition to the debate participants.
