Addressing interior design and decoration from the ancients to the moderns, this text describes the dominant influences of fashion design and focuses on the close relationship between interior design and the architecture of our times.

Interior Design and Decoration 6th Edition - amazon.com

Interior Architecture is the design of a building or shelter inside out, type home that can be fixed. It can also be the initial design and plan for use, then later redesign to accommodate a changed purpose, or a significantly revised design for adaptive reuse of the building shell. The latter is often part of sustainable architecture practices, conserving resources through "recycling" a ...
