To report safety, security, or other concerns associated with select agents and toxins, please use the Office of Inspector General (OIG)™s confidential hotline.

Federal Select Agent Program

At Scholastic, we believe that the development of robust literacy skills is at the very heart of empowering children to thrive in school and in life.

Scholastic Education

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate.
