TIRUKKURAL English Translation and Commentary by Rev Dr G

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...

The Punctuation Guide is a useful online resource that shows the current style of American punctuation. According to the author, In creating this guide, I have consulted dozens of authorities, both online and in print. Where the authorities disagree, I either have explained the various positions or have presented the style I believe to be most useful.
