

### **the war on slums pdf**

Slums were common in the United States and Europe before the early 20th century. London's East End is generally considered the locale where the term originated in the 19th century, where massive and rapid urbanisation of the dockside and industrial areas led to intensive overcrowding in a warren of post-medieval streetscape.

Drinking water supply and sanitation in Pakistan is characterized by some achievements and many challenges. [citation needed] Despite high population growth the country has increased the share of the population with access to an improved water source from 85% in 1990 to 92% in 2010, although this does not necessarily mean that the water from these sources is safe to drink.
