An arrest is the act of apprehending a person and taking them into custody, usually because they have been suspected of committing or planning a crime. After the person is taken into custody, they can be questioned further and/or charged. An arrest is a procedure in a criminal justice system. Police and various other officers have powers of arrest. In some places, a citizen's arrest is permitted ...

Arrest - Wikipedia

To attempt to determine whether a suspect is impaired, police officers usually will administer field sobriety tests to determine whether the officer has probable cause to arrest an individual for suspicion of driving under the influence (DUI). A police officer in the United States must have Probable Cause to make an arrest for driving under the influence.
