The economy of South Africa is the second largest in Africa, after Nigeria. It is one of most industrialized countries in Africa. South Africa is an upper-middle-income economy by the World Bank – one of only four such countries in Africa (alongside Botswana, Gabon and Mauritius). Since 1996, at the end of over twelve years of international sanctions, South Africa's Gross Domestic Product ...

Economy of South Africa - Wikipedia

South African company law is that body of rules which regulates corporations formed under the Companies Act. A company is a business organisation which earns income by the production or sale of goods or services. This entry also covers rules by which partnerships and trusts are governed in South Africa, together with (albeit in less detail) cooperatives and sole proprietorships
