Established by OSERS, U.S. DoE in 1997 to deliver high quality, direct and indirect technical assistance and implementation support to local and state education agencies across the United States and territories.

**PBIS FAQs**

In light of this fact, why are so many schools and districts struggling to reap the benefits of RTI? Some schools mistakenly view RTI as merely a new way to qualify students for special education, focusing their efforts on trying a few token regular education interventions before referring struggling students for traditional special education testing and placement.
