What is Point of View? The term "point of view" has many applications, from video game development to the interpretation of art. This page will discuss point of view as it pertains to the study of reading and literature. When studying the perspective of the narrator, the reader is concerned with the relationship between the person telling the story (the narrator) and the agents referred to ...

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
