BPS Textbooks in Psychology - Chichester Graphic Arts

Edited by the Head of Psychology for HM Prison Service and the National Probation Service, and fully updated to take account of structural changes within these Services, Psychology in Prisons takes an in-depth look at the work of psychologists in prisons strengthened by in-depth consideration of diversity issues such as age, gender, socio-economic group, sexuality and ethnicity.

Psychology in Prisons, Second Edition - Crighton - Wiley

Forensic psychology is a constantly growing discipline, both as a profession for graduates and in terms of student interest. This book highlights the often sizable gap between the media myths surrounding forensic practice and reality.

Wiley: Forensic Psychology: Crime, Justice, Law

Handbook of Psychology fills the gap and provides the only singular source of information on the field of

psychology. If you purchase only one major reference work for your academic library this year, Handbook of Psychology should be the ONE.
